

# **Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

Government of India  
Ministry of Environment, Forest & Climate Change  
(EI Division)

## **Annual Progress Report (APR)**

**Factsheet of 2023-24 (As on 31-March-2024) on Activities of IITM-EIACP PC-RP, Pune**

<b>1. Name of Host Organization:</b>	Indian Institute of Tropical Meteorology (IITM), Pune
<b>2. Assigned Subject Area:</b>	Atmospheric Pollution and Climate Change
<b>3. Date/Month/Year of establishment Of EIACP Centre:</b>	10 <sup>th</sup> Feb 2003
<b>4. Name and designation of EIACP Coordinator:</b>	Dr. Latha R., EIACP Coordinator & Scientist-E
<b>5. Has the Host Organization Constituted an Advisory Committee for guiding the activities of the Centre?</b>	Yes
<b>Composition of the Advisory Committee:</b>  (Select YES or NO: if YES kindly fill the right column space; if NO kindly leave it blank)  <input checked="" type="radio"/> YES <input type="radio"/> NO	<ul style="list-style-type: none"><li>• Dr. Latha R., Scientist-E, Indian Institute of Tropical Meteorology, Pune E-mail: <a href="mailto:latha@tropmet.res.in">latha@tropmet.res.in</a></li><li>• Dr. Chhemendra Sharma- Committee Member Sr. Principal Scientist, Radio &amp; Atmospheric Sciences Department, National Physical Laboratory(NPL), Delhi E-mail: <a href="mailto:csharma@nplindia.org">csharma@nplindia.org</a>, chhemendrasharma@gmail.com</li><li>• Dr (Mrs.) N. S. Rajurkar –Committee Member, Former Professor &amp; Head Department of Environment Sciences, Savitribai Phule Pune University, Pune E-mail: <a href="mailto:rnilima@rediffmail.com">rnilima@rediffmail.com</a></li><li>• Dr. Saroj Kumar Sahu- Committee Member Assistant Professor, Utkal University, Bhubaneswar, Odisha E-mail: <a href="mailto:saroj.bot@utkaluniversity.ac.in">sarjoj.bot@utkaluniversity.ac.in</a>, <a href="mailto:sarjoj.utkaluni@gmail.com">sarjoj.utkaluni@gmail.com</a></li></ul>

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

6.	Current EIACP Staff Structure:						
	Name	Position held	Qualification and Experience	Joining Date in EIACP Centre	Joining Date in Current position	Leaving Date(if applicable)	2023-24 Emoluments drawn (Rs.)
						Monthly	Annual
Ms. Mugdha Kulkarni	Program Officer	B.Tech	28/06/2023	28/06/2023	22/09/2023	50,000/-	<b>1,33,602/-</b>
Mr. Hrishikesh Tambe	Program Officer	BE (Computer)	14/11/2023	14/11/2023	NA	50,000/-	<b>2,28,333/-</b>
Mr. Gaurav P. Shinde	Information Officer	MBM (CM)	27/01/2014	01/02/2019	NA	42,000/-	<b>4,97,000/-</b>
Ms. Bhagyashri Katre	I.T./GIS Officer	M. Sc. Environmental Sciences	08/05/2019	08/05/2019	30/06/2024	34,000/-	<b>62,333/-</b>
Ms. Ayushi Parashar	I.T./GIS Officer	M.Sc. Geoinformatic	22/06/2023	22/06/2023	31/10/2024	34,000/-	<b>1,38,413/-</b>
Mr. Rutvik Jamdade	I.T./GIS Officer	PGD GIS/RS	01/03/2024	01/03/2024	NA	34,000/-	<b>34,000/-</b>
Ms. Sapna Taral	Data Entry Operator	MCA	21/02/2022	21/02/2022	30/06/2024	16,000/-	<b>29,333/-</b>
Ms. Komal Shinde	Data Entry Operator	MCM	15/06/2023	15/06/2023	NA	16,000/-	<b>1,52,533/-</b>
<b>TOTAL</b>							<b>12,75,547/-</b>

7.	Mandate of the Host Organization	Mandate of the EIACP Centre
	Basic research on Ocean-Atmosphere Climate System for improvement of Weather and Climate Forecasts including hardcore multidimensional interactive earth system modeling and observational experimental measurements; Publishes fundamental research papers.	Systematically collect, compile and disseminate data on "Atmospheric Pollution and Climate Change" which includes data on air pollution, climate change, meteorological parameters, acid rain, extreme events and emissions etc. This data will be of immense use to several research organizations and other stakeholders. To conduct two courses under 'Green Skill Development Program'. To be involved in the Mission LiFE (Lifestyle for Environment). To develop national and international collaboration for knowledge exchange and skilling and facilitating attainment of the SDGs. To facilitate transition to environmentally conscious futuristic citizens including awareness among public/communities on environment related issues

**8. Databases:**

**8.1. Catalogue of Non-numeric Databases compiled by the EIACP PC RP till date:**

<b>Name of Database</b>	<b>Description (in brief)</b>	<b>Data type (descriptive/ graphical/ geospatial/ etc.)</b>	<b>Status of Updation/ Periodicity/ Data Points Compiled (including date/month/year of last data point)</b>	<b>Source(s) of data</b>	<b>Online Availability (Whether uploaded on EIACP Website)</b>
<b>Air Pollution Hotspot</b>	Air pollution hotspot for PollutantsPM10,PM2.5, CO, NOx, VOC's,BC,OC, SO2 has been shown over Delhi and Ahmadabad region. It also gives contribution of different sectors in the total emission of various pollutants in Delhi, Pune & Ahmadabad.	Geospatial and graph	Last data point: Delhi & Pune-2010, Ahmadabad - 2018	Special scientific report- SAFAR- Delhi- 2010A; Special scientific	Available online
<b>Air Pollution Levels in Metro Cities during Diwali</b>	This section gives the temporal information regarding the level of Air Pollutants PM10, PM2.5 in the major metro cities i.e. Delhi, Mumbai, Pune, Ahmadabad during Diwali.	Graphical Information	Yearly	SAFAR Network DATA	Available Online
<b>Case Studies</b>	This section gives the latest and important case studies around the world which are related to adaptation to climate change and global warming.	Information	As Available	Various online sources	Available online
<b>Environmental Calendar/ Days</b>	It gives information about various national and international days celebrated on different environmental themes.	Descriptive	Once in Year / As available	Online sources	Available Online and in an android mobile app
<b>News letters</b>	Till date RP has Published 70 newsletters	Newsletters	Quarterly publication	EIACP- IITM Centre	Available Online
<b>Special Publication &amp; Infographics</b>	Till date RP has Published 6 Special Publications & 15 Infographics	descriptive	Monthly/As per required	Compilation from various online sources	Available Online/Offline
<b>Extreme Weather &amp;</b>	Compendium of Extreme Weather & Air Pollution Events	Descriptive information	Update as Per the	Scientific articles,	Available online

## Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

<b>Air Pollution Events</b>	observed at global As well as national scale (both human induced and natural) has been compiled and categorized under two heading "Atmospheric Pollution" and "Climate Change". It includes name of event, year, its cause and effect.		occurrence of event Last data point: Dec 2023	Books, research paper, online sources, Media etc.	
<b>Abstract Service</b>	Compilation of abstracts of research papers published in the field of Atmospheric pollution & climate change and other related topics.	Abstracts Research Articles	Monthly update (Last data point: March 2021)	Various national and international research journal	Available online
<b>Articles in media</b>	The news & other articles publishes in offline and online media are compiled and published	News articles	Daily update (Last data point: March 2023)	News house website and other online portals	Available online
<b>Art Book</b>	This publication is launched this year to inspire young minds through drawings on climate change & Atmospheric pollution	Drawings and Climate Change facts	Yearly	Entries received in various competitions	Available online
<b>Other publications</b>	Till date RP has Published 84 extra publications	Descriptive information	Yearly publication	Online sources, research publications and articles	Available online
<b>Air quality and Health</b>	Information of impact of Various health hazardous pollutants on human health and different body parts has been collected	Graphics/ Animation	One time update. Provided new information is available	Online Sources	Available online
<b>Important</b>	Air Quality Online	Secondary link	-	SAFAR, DPCC, AQICN	Available online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

<b>Links</b>	Links to other organizations working in the field of air pollution	Secondary link	-	<b>National-</b> CPCB, MPCB, NEERI, Physical research Laboratory, Ahmadabad, National Physical Laboratory, New Delhi, <b>International-</b> USEPA,W HO, IPCC, NCAR,W MO	Available online
<b>Basic Scientific Information- Atmospheric Pollution</b>	<p>This section has Information on Earth's atmosphere (troposphere, stratosphere, mesosphere, thermosphere, and exosphere), atmospheric composition, what is air pollution and air pollutants including Particulate Matter, Ground level Ozone(O<sub>3</sub>), Carbon Monoxide(CO), Oxides of Sulphur and Nitrogen, Volatile Organic Compounds (VOCs), Lead(Pb), Stratospheric Ozone Depleters (SOD), Green House Gases(GHG)etc..</p> <p>It also covers information On SMOG a type of air pollution which drastically affects visibility.</p>	Descriptive information with explanatory images	Basic scientific information- One time update, provided new findings are observed	Scientific Books, articles, research paper, online sources etc.	Available online
<b>Basic Scientific Information- Climate Change</b>	<p>It covers, what is Climate Change, its driving factors, current facts on Climate change, Effects of climate change, challenges on changing earth, adaptation &amp; mitigation to Climate Change, information of GLOBALWARMING (GW)</p> <ul style="list-style-type: none"> <li>- What is global warming and its causes,</li> <li>What we can do about GW ?</li> </ul>	Descriptive information with explanatory images	Basic scientific information- One time update, provided new findings are observed	Scientific Books, articles, research paper, online sources etc.	Available online

## Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP

### Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"

	What is GHE, Enhanced GHE, concept of Radiative Forcing, Global Warming Potential, Human contribution and their impacts.				
<b>Basic Scientific Information-Ozone Layer Depletion</b>	What is good ozone & Bad ozone, Natural formation & destruction of ozone Causes of depletion, Ozone depleting gases, Effects of ozone depletion, Ozone hole & observe ozone holes (Antarctica, Arctic, Tibet), Current status of Ozone layer, Highlights of UNEP/WMO Executive summar (2014), National & International efforts to protect ozone layer, Discovery of recovery of Ozone hole.	Descriptive information with explanatory images	Basic scientific information- One time update, provided new findings are observed	Scientific Books, articles, Research paper, online sources etc.	Available online
<b>Basic Scientific Information-Acid Rain</b>	It covers details such as what is Acid Rain, Acid deposition, Discovery of acid rain, Causes of Acid Rain (General/SO <sub>2</sub> / NO <sub>x</sub> ), Chemistry of acid rain, effects of Acid Rain, World affected areas, Possible solutions. Acid Rain Status: Indian Scenario	Descriptive information	Basic scientific information- One time update, provided new findings are observed	Scientific Books, articles, research paper, online sources etc.	Available online
<b>Basic Scientific Information-Geographical Scenario of Acid Rain</b>	This section of website gives basic information on Indian scenario of acid rain, acid rain studies in India, acid rain global scenario, spread of acid rain across world, population, emission and acid rain, and critical and target load.	Descriptive information Graphical representation	Basic scientific information- One time update, provided new findings are observed	Scientific Books, articles, research paper, online sources etc.	Available Online
<b>National and Intentional policies</b>	Information on National And international policies developed to tackle air pollution and climate change	Descriptive	Annual or as per availability of new information	Online sources	Available online
<b>Kids Corner</b>	Information of Clouds, Rain, Flood, Wind, Thunderstorms, Lightning, Earthquakes, Volcanoes, Climate	Descriptive information Animations, Videos	Basic scientific information- One time	Scientific Books, articles, research	Available online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Atmosphere, Optical illusion, Ozone ,Green House Effect, Weather and season	,Games for students	update, provided new findings are observed	paper, online sources etc.	
<b>Glossary</b>	It includes alphabetic list of various terms used in the field of air pollution and climate change.	Descriptive	As per available information	Scientific Books, articles, research paper, online sources etc	Available Online
<b>Multimedia</b>	Scientific Documentary & Video on major issues of air pollution, its impact on environment and human being	Documentary & Videos	Yearly update	Various paid And unpaid data sources	Available online
<b>EIACP Library</b>	Comprises collection of more than 100 books/ magazines/ statistical/ scientific reports related to acid rain, air pollution, climate change, global warming, effect of air pollution and climate change on human health and agriculture etc. Also, a collection of newsletters published by the Centre as well as other EIACP centers during past 10 yrs.	Books, Magazines, Bulletins, Journals, Annual Reports etc.	-	-	Available On request
<b>Facebook Page</b>	Dissemination information regarding various public awareness campaigns, training events and interesting info-graphics by IITM-EIACP. As well as interesting facts and findings of current research papers about air pollution and climate change.	Descriptive and pictorial info-graphics	Based on events and availability of news information	EIACP- IITM, online media channels	Available online
<b>Instagram handle</b>	Dissemination information regarding various public awareness campaigns, training events and interesting info-graphics by IITM-EIACP.	Descriptive and pictorial info-graphics	Based on events and availability of new information	EIACP- IITM	Available online
<b>Twitter handle</b>	Dissemination information regarding various public awareness campaigns, training events and interesting info-graphics by IITM-EIACP. As well as interesting facts and	Descriptive and pictorial info-graphics	Based on events and availability of new information	EIACP- IITM, online media channels	Available online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	findings of current research papers about air pollution and climate change.				
<b>YouTube channel</b>	Videos related to air pollution and climate change awareness and outreach, online activities conducted etc.	Multimedia.	Based on events and availability of new information	EIACP-IITM	Available online
<b>Animation of Climate Change and Air pollution data</b>	Global Warming from 1880 to 2022	Video format	As per availability	Berkeley Earth	Available Online
	Carbon Emissions from Fires: 2003-2018	Video format	As per availability	Berkeley Earth	Available Online
	Carbon Dioxide Emissions as Pumpkins	Video format	As per availability	Berkeley Earth	Available Online
	Methane Sources	Video format	As per availability	NASA	Available Online
	Tracking 30 Years of Sea Level Rise	Video format	As per availability	NASA	Available Online
	Rising Tides - Understanding Sea Level Rise	Video format	As per availability	NASA	Available Online
	Changes in Earth's Surface Temperature Distribution	Graphical in video format	Annual or as per availability	Berkeley Earth	Available Online
	Map of Greenhouse Gas Emissions per Person	Graphical in video format	As per availability	Robert Rohde YouTube	Available Online
	World Temperature Records 2020	Graphical in video format	As per availability	Berkeley Earth	Available Online
	Carbon Dioxide and Global Temperature Visualization	Graphical in video format	As per availability	Berkeley Earth	Available Online
	World Map Climate Stripes Animation	Video format	As per availability	Berkeley Earth	Available Online
	Global Warming by Country and Region 1850-2020 Temp. Anomalies	Video format	As per availability	Berkeley Earth	Available Online
	World's warming temperatures from 1900 - 2021	Video format	As per availability	Berkeley Earth	Available Online
	2021 Record High and Record Low Temperatures Worldwide	Video format	As per availability	Berkeley Earth	Available Online
	2021 Global Temperature Changes Since 1850	Video format	As per availability	Berkeley Earth	Available Online
	Carbon dioxide emissions in 2009 and 2019, by selected country	Graphical	As per availability	Statista	Available Online
	Carbon dioxide emissions in 2010 and 2020, by select country	Graphical	As per availability	Statista	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Carbon dioxide (CO <sub>2</sub> ) emissions per capita in India from 1970 to 2020	Graphical	As per availability	Statista	Available Online
	Carbon dioxide (CO <sub>2</sub> ) emission in India (2001-2016)	Graphical	As per availability	Statista	Available Online
	The average extent of the Antarctic ozone hole during peak ozone depletion season from 1979 to 2021	Graphical	As per availability	NOAA	Available Online
	Maximum ozone hole area in the stratosphere over the Antarctic 2020	Graphical	As per availability	European Environment Agency	Available Online
	Global temperatures animation	Video format	As per availability	NASA	Available Online
	State wise Registered Motor Vehicle	Graphical	Annual or as per availability	Road Transport Year Book 2016-17	Available Online
<b>Meteorological Graphs</b>	All India Rainfall actual during selected months / season	Graphical	Daily basis	IMD- Climate Data Service Portal	Available Online
	Seasonal Temperature During different seasons	Graphical	Daily basis	IMD- Climate Data Service Portal	Available Online
	Mean Temp Change of Meteorological year of India	Graphical	Annual or as per availability /1961-2021	FAO Temperature Change & Climatedata.i mf.org	Available Online
<b>Extreme Events</b>	Death due to Extreme Events 2022	Data Map	As per availability/ 2022	IMD, Pune	Available Online
	Distribution of Number of Deaths and its percentage for impacted Extreme Weather Events	Graphical	As per availability/ 2022	IMD, Pune	Available Online
	Standardized Precipitation Index (SIP)	Graphical	As per availability/ Jan-Dec, 2022	IMD, Pune	Available Online
	Overview of 2021 disasters in the South-West Pacific region	Graphical	As per availability/ 2021	WMO	Available Online
<b>Air Pollution &amp; Climate Change Database</b>	Monthly Atmospheric carbon dioxide concentration year growth rate	Graphical	As per availability /2000-2022	NOAA/GML & Scripps Institution of	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

				Oceanography	
	Monthly Atmospheric carbon dioxide concentration	Graphical	As per availability/ 2000-2022	NOAA/GML & Scripps Institution of Oceanography	Available Online
	Power Generation various sources	Graphical	As per availability/ 2000-2020	IRENA, IMF staff calculations	Available Online
	GHG Emissions vs Nationally Determined Contributions (NDCs) Targets	Graphical	As per availability/ 2000-2021	UNFCCC, E D GAR, FAO, I M F Staff calculations	Available Online
	Decrease of Insect populations over the past decade	Graphical	As per availability/ 2019	Sanchez- Bayo & Wyckhuys, Biological Conservation	Available Online
	Rise in global annual mean temperature compared to pre-industrial times and Change in emissions 2020 vs 1990	Graphical	As per availability/ 1990-2021	UNFCCC, World Resources Institute	Available Online
	GHG Emission and Emission Reduction Requirements for Climate Goals	Graphical	As per availability/ 1990-2020	World Resources Institute & Emission Gap Report 2022	Available Online
	Average divergence from mean temperature at the beginning of the last century in India, by decade	Graphical	As per availability/ 1911-20, 1961-70, 2011-2020	Statista	Available Online
	Average extent of the Antarctic ozone hole during peak ozone depletion season from 1979 to 2021	Graphical	As per availability/ 1979-2021	NASA	Available Online
	Global CO2 emissions from energy combustion and industrial processes	Graphical	As per availability/ 1900-2022	IEA.org	Available Online
	Annual change in global CO2 emissions from energy combustion and industrial processes	Graphical	As per availability/ 1900-2022	IEA.org	Available Online
	Change in CO2 emissions by region	Graphical	As per availability/ 2023	IEA.org	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Change in CO2 emissions by sector	Graphical	As per availability/ 1900-2022	IEA.org	Available Online
<b>Air Pollution Levels in Metro Cities during Diwali</b>	Delhi Air Quality during Diwali Period 2020	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Mumbai Air Quality during Diwali Period 2020	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	PM2.5 Diwali comparison(2017-2020) in Mumbai	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Ahmedabad PM2.5 Air Quality during Diwali Period 2020	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM2.5 during Diwali for last three years (2015-2019) in Delhi	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM10 during Diwali for last five years (2015-2019) in Pune	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM2.5 during Diwali for last five years (2015-2019) in Pune	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM10 during diwali for last five years (2015-2019) in Mumbai	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM2.5 during diwali for last five years (2015-2019) in Mumbai	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM10 during diwali for last three years (2017-2019) in Ahmedabad	Graphical Information	As per availability	SAFAR Network DATA	Available Online
	Level of PM2.5 during diwali for last three years (2017-2019) in Ahmedabad	Graphical Information	As per availability	SAFAR Network DATA	Available Online
<b>Live Map</b>	Minimum Temperature Observed during past 24hrs	Real-Time MapData	Daily basis	IMD- Climate Data Service Portal	Available Online
	Maximum Temperature Observed during past 24hrs	Real-Time MapData	Daily basis	IMD- Climate Data Service Portal	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Wind Observed during past 24hrs & Rainfall Observed during past 24hrs	Real-Time MapData	Daily basis	IMD- Climate Data Service Portal	Available Online
<b>Air Quality Forecast</b>	IMD SILAM Forest for BLH	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	IMD SILAM Forest for CO gas	Real-Time	Daily basis	Air Quality	Available
		Forest Map		Forecast by IMD SILAM model	Online
	IMD SILAM Forest for NO2 gas	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	IMD SILAM Forest for O3 gas	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	IMD SILAM Forest for PM10	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	IMD SILAM Forest for PM2.5	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	IMD SILAM Forest for SO2 gas	Real-Time Forest Map	Daily basis	Air Quality Forecast by IMD SILAM model	Available Online
	Global Air Quality Forecast	Real-Time Forest Map	Daily basis	Implemented by ECMWF as part of The Copernicus Programme	Available Online
<b>City's Climatology</b>	Various Climate parameters details of smart cities in India	Real-Time Data/Maps	Daily basis	Implemented by IMD, Pune	Available Online
<b>India's Contribution to Climate Change</b>	A Brief Summary of India's Efforts to Address Climate Change	descriptive	As per availability	Online Sources	Available Online
<b>Environmental Reports</b>	Collection of various reports related to thematic area	descriptive	As per availability	Various Online Sources	Available Online

**8.2. Catalogue of Numeric and Time-series Data bases compiled by the Centre till date:**

<b>Name of Database</b>	<b>Description (in brief)</b>	<b>Time Period (Starting year-Ending year) and Periodicity (annual/monthly/other)</b>	<b>Source(s) of data</b>	<b>Online Availability (Whether uploaded on EIACP Website)</b>
<b>Air pollution Database</b>	India's database on weather disasters	Jan-2022 to Dec-2022 Monthly	Down to Earth	Available Online
	Carbon dioxide (CO2) emissions per capita in India from 1970 to 2020	1970-2020 As per available	Statista	Available Online
	Carbon dioxide emissions in 2010 and 2020, by select country	2010,2020 As per Available	Statista	Available Online
	Air Quality Index in Maharashtra	Annual -2019 &2020	MPCB	Available Online
	AQI of Major cities of Maharashtra before-During and After Diwali Festival	Annual -2020	MPCB	Available Online
	Air Quality during Deepawali Festival	Annual 2003-2020	MPCB	Available Online
	India's CO2 emissions have fallen for the First time in four decades	Annual -2019-20	Carbonbrief	Available Online
	Global Annual Total Emission	As per Available- 2000-2018	NOAA ESRL	Available Online
	Globally averaged marine surface annual mean data	Annual -2001-2019 Annual -1984-2022	NOAA ESRL	Available Online
	Globally averaged marine surface monthly mean monthly data	Annual -2001-2020 Annual -1983-2022	NOAA ESRL	Available Online
	Globally averaged marine surface annual mean growth rates	Annual -2001-2019 Annual -1984-2022	NOAA ESRL	Available Online
	Carbon dioxide (CO2) Territorial Emissions in 2019	Annual -1960-2010	Global Carbon	Available Online
	National Ambient Air Quality Monitoring Programme (NAMP) Manual Monitoring data	Annual -2013-2020	CPCB	Available Online
	Composition of Vehicle Population	Annual -1951-2017	Office of State Transport Commissioners/UT Administrators	Available Online
	State-wise Number of Cases and Deaths due to Acute Respiratory Infection in India	Annual -2017,2018	Ministry of Health & Family Welfare, Gov. of India	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Production of Ozone Depleting Substances in India	Annual – 1998-2017	Ministry of Statistics and Programme Implementation, Govt. of India. (ON1964) & Past Issues.	Available Online
	World record of annual mean PM10 concentration by city	Annual – 2003-2010	Various scientific and peer review sources	Available Online
	Particulate Matter (PM10): annual mean concentrations in Europe-2013	Annual – 2013	Various scientific and peer review sources	Available Online
	<b>Emission Data:</b>  Emission Load of Vehicles in Delhi ,  Emission Load of Vehicles under different scenarios in Delhi,  Vehicular emission load in 1994,  GHG emissions from different sectors in India,  SO2 and NOx emissions - US Plants,  Total Absolute Emission of CO2 From Power Sector	As available	Transport fuel quality for year 2005 Central pollution Control Board, MoEF&CC, GoI, CPCB, Lok Sabha/ Rajya Sabha Unstarred Questions	Available Online
	Reduction in pollution due to change in fuel quality in India	2000-2005	Online Source	Available Online
	Total Consumption of Ozone Depleting Substances in India	2000-2017	Ministry of Statistics and Programme Implementation , GoI	Available Online
	Delhi Air Pollution Database Graphical View	2000-2006	Online Source	Available Online
<b>Major Pollution Sources in India</b>	<b>Polluting Industries</b>  State wise Distribution of 17 Categories of Industries	Annual	CPCB, MoEF&CC	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	State-wise Industries Identified as highly polluting under 17 categories	2002-2004	Lok Sabha Unstarred Question	Available Online
	No. of Industrial Units Found Violating Pollution Control Norms in India	2005-2008	Lok Sabha Unstarred Question	Available Online
	Status of Pollution Control in 17 Categories of Industries in India	2009	Lok Sabha Unstarred Question	Available Online
	<b>Transport Sector</b> State wise number of E-Vehicles Registered in India	2018	Lok Sabha Unstarred Question	Available Online
	Category wise number of E-vehicles Registered in India	2018	Lok Sabha Unstarred Question	Available Online
	State-wise Number of Electric/Battery Operated Vehicles in India	2019	Lok Sabha Unstarred Question	Available Online
	Total number of Registered Vehicles in Pune Region	2000-2019	RTO Pune	Available Online
	Total number of Registered Vehicles in PCMC Region	2001-2019	RTO PCMC	Available Online
	State wise Registered Vehicles in India	1995-2015	RTO	Available Online
	Metropolitan city wise Registered Vehicles in India	2012-2015	RTO	Available Online

	Population data—district-wise, state- wise <i>total population</i>	Annual; 2011	Online source	Available online
<b>Other vital Statistics:</b>	Driving cycles and cold start for two and three wheelers except diesel vehicles— Specifications for various test cell conditions like soak temperature ,period, preparatory running before sampling, number of test cycles and break down of cycles	Tabular statement	Environmental standards for ambient air, automobile fuels, industries and noise, CPCB, MoEF&CC	Available online
	Indian states and geographical areas	Tabular statement	Online source	Available online
	Indian state and geographical area	Annual	Various paid and Unpaid data sources	Available online

**8.3. New Databases developed during the Financial Year (2023-24)**

**8.3.1. Non-numeric Databases:**

<b>Name of Database</b>	<b>Description (in brief)</b>	<b>Data type (descriptive/graphical/geospatial/etc.)</b>	<b>Status of Updation/Periodicity/Data Points Compiled (including date/month/year of last data point)</b>	<b>Source(s) of data</b>	<b>Online Availability (Whether uploaded on EIACP Website)</b>
<b>Extreme weather events</b>	Month wise Extreme weather events in India	Graphical	2023	DownToEarth	Available online
<b>Article in media</b>	News articles published During last financial year on acid rain, atmospheric pollution, climate change, green solutions etc. has been compiled	News articles /Descriptive	Daily update. 2023	Different environmental and news website	Available online
<b>Case Studies</b>	This section gives the latest and important case studies around the world which are related to adaptation to climate change, global warming and sustainable lifestyle	Information	As Available	Various online sources	Available online
<b>Environmental Reports</b>	This section gives the latest and important Reports on related to Air pollution, climate change, global warming and sustainable lifestyle	Information	As Available	Various online sources	Available online
<b>Animation of Climate Change and Air pollution data</b>	Summer 2023 Record High Global Temperatures	Video format	As per availability	NASA	Available Online
	2022 Record High and Low Temperature Animation	Video format	As per availability	Berkeley Earth	Available Online
	Animated data visualization of Global Warming from 1850 to 2023	Video format	As per availability	Moving Science	Available Online
<b>Climate Change</b>	Global Average Temperature 1850-2023 (Annual Temp Anomaly)	Graphical	As per availability	Berkeley Earth	Available Online
	Global Warming by Month (Seasonal Temperature Distribution) 1850-2023	Graphical	As per availability	Berkeley Earth	Available Online

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of EIACP Program Centre RP**

**Indian Institute of Tropical Meteorology (IITM), Pune on theme "Atmospheric Pollution and Climate Change"**

	Land Average Temperature in 2023	Graphical	As per availability	Berkeley Earth	Available Online
	Ocean Average Temperature in 2023	Graphical	As per availability	Berkeley Earth	Available Online
	Impact of EL Nino on Annual Average Temperature	Graphical	As per availability	Berkeley Earth	Available Online
	Monthly Average Temperature Anomaly in 2023	Graphical	As per availability	Berkeley Earth	Available Online
<b>E-waste</b>	Map of E-waste Recyclers in India	Graphical	As per availability	CPCB	Available Online
	E-waste Generated in 2016	Graphical	As per availability	ASSOCHA M	Available Online
	E-waste Amendment Notification 2018	Information	As Available	CPCB	Available online
	E- Waste (Management) Rules, 2022	Information	As Available	CPCB	Available online
	Implementation Guidelines for E-Waste (Management) Rules, 2016	Information	As Available	CPCB	Available online
	Categories of e-waste and average life of EEE	Information	As Available	Annual Report MeitY, 2019–20	Available online
	Production of electronics in India	Graphical	As Available	Annual Report MeitY, 2019–20	Available online
	Projected e-waste generation in India	Graphical	As Available	Annual Report MeitY, 2019–20	Available online
	Hazardous components in e-waste and their harmful effects	Information	As Available	CSE India	Available online
	E-waste Annual Report by CPCB	Information	As Available	CPCB	Available online

**8.3.2. Numeric and Time-series Databases:**

Name of Database	Description (in brief)	Time Period (Starting year- Ending year) and Periodicity (annual/monthly/ other)	Source(s) of data	Online Availability (Whether uploaded on EIACP Website)
<b>Air Pollution Database</b>	Globally averaged marine surface annual mean data	Annual -1984-2023	NOAA ESRL	Available Online
	Globally averaged marine surface monthly mean monthly data	Annual -1983-2023	NOAA ESRL	Available Online
	Globally averaged marine surface annual mean growth rates	Annual -1984-2023	NOAA ESRL	Available Online
	National Ambient Air Quality Monitoring Programme (NAMP) Manual Monitoring data	Annual -2021	CPCB	Available Online
<b>Major Pollution Sources in India</b>	<b>Transport Sector</b> State Wise Vehicle Category Data in India	Annual – 2001 to 2024	Ministry of Road Transport & Highways (MoRTH) Government of India	Available Online
	State wise Registered Electric Vehicles in India	Annual - 2022	Vehicle registration counts derived by the National Renewable Energy Laboratory with data from Experian Information Solutions	Available Online
<b>E-waste</b>	Year-wise e-waste generation in India	2015-2019	Annual Report MeitY, 2019–20	Available online
	Year-wise collection targets of popular brands	2017-18 to 2021-22	Annual Report MeitY, 2019–20	Available online
	Number of authorized dismantlers and recyclers in India	2023	CPCB	Available online
	Number of authorized dismantlers and recyclers in Maharashtra	2023	MPCB	Available online

v. Number of Queries responded	904	2250	2000+	1910
vi. Grade received				

**11.1 Total number of visits on Website (2032-24):** 338991

**11.2 Number of unique visits on Website (2023-24):** 400

**11.3 Number of reports downloaded/read by stakeholders:-**

**11.4 Query-Answer Statistics 2023-24: As on March-2024**

Mode of Query Receipt	Number of Queries Received	Number of Queries Responded	Reasons for shortfalls, if any, and action taken to rectify
<b>Online (CMS based website)</b>	-	-	-
<b>Email(official NIC server)</b>	60	60	-
<b>Postal/Telephonic (incl. hand post)</b>	650	650	-
<b>Physical</b>	1200	1200	-

**12. Implementation of Annual Plan of Activities of the Financial Year (2023-24):**

Activity/Target	Achievements	Shortfalls ,if any, and reasons therefore
<b>Centre's proposed activities 2023-24</b>		
1. Organise mass awareness campaigns and activities on Mission LiFE as per directions of MoEF&CC	IITM-EIACP has conducted various Awareness activities on Mission LiFE themes on occasions.	
2. Conduct monthly activities for 'E-waste Reduce' on LiFE assigned by ministry.	IITM-EIACP has conducted all monthly activities for E-waste Reduce theme of Mission LiFE as per assigned by ministry.	
3. Preparation/continuation of Special publication series on thematic area	Special publications have published on thematic area.	
4. Publication of environmental awareness knowledge product.	Knowledge products on Reduce E-waste, sustainable lifestyle, environmental awareness has published	
5. Maintenance and regular updating of website with more user friendly, interactive and useful content.	Website is redesigned and made more user-friendly, attractive and have added more useful content.	
6. Development of descriptive/numerical database including thematic and GIS maps on the assigned subject area that can be integrated with DRC and ensuring regular updating of the same.	We have uploaded all available thematic data and graphs as per availability.	
7. Development of glossary on the assigned subject area for uploading on DRC.	We have updated glossary.	
8. Collection of latest news, rules and regulation issued by state and central government on the assigned subject area for uploading on DRC	We have collected and uploaded all available rules and regulations with respect the subject area and theme.	
9. Implementation of the GSDP courses in two subject areas: -“Air Pollution Monitoring” -“Emission Inventory”	-	Lack of Funds
10. Keep updating IITM-GSDP portal with new information showcasing detailed information and success of GSDP courses.	NA	-
11. To conduct environment awareness events by arranging webinars, live online/offline talks and online as well as offline competitions.	IITM-EIACP has conducted various online activities, webinars, competitions and conducted various major outreach events.	

**Factsheet of 2023-24 (As on 31March-2024) on Activities of ENVIS Resource Partner  
"Indian Institute of Tropical Meteorology (IITM),Pune" on "Atmospheric Pollution and Climate Change"**

12. To conduct hands-on activity training workshops to encourage students to take meteorology, Climate Change and Atmospheric Pollution subjects as a career.	With showcasing the five working models on natural sources of energy, we have developed Urban Canopy – A Effect on Ventilation model for understanding and engaging the students in subject area.	
13. Updating IITM-EIACP android mobile application.	Android app "IITM-EIACP" is available on google play store.	
14. Quarterly publication of newsletters related to thematic area for public engagement.	We have published newsletters on various topics quarterly basis.	
15. A Newsletter as well as other publications will be published in Marathi language as well to promote regional language knowledge.	We have published newsletter, awareness products and other publications in Marathi and Hindi language.	
16. Conduct capacity building programs approved by MoEF&CC.	We have conducted capacity building program as per guidance by ministry.	
17. Increase the public outreach through social media platforms and field activities.	IITM-EIACP have posted various posts on social mediaplatform such as Facebook, Twitter, Instagram and videos on you tube channel.	
18. Publication of infographics on important topics related to atmospheric pollution and climate change.	We have published infographics on various occasions and topics.	

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of ENVIS Resource Partner  
"Indian Institute of Tropical Meteorology (IITM),Pune" on "Atmospheric Pollution and Climate Change"**

<b>A. Regular Activities :Web-based Environmental Information</b>		
<b>Collection and Compilation of Information and Data</b>		
<b>Activity/Target</b>	<b>Achievements</b>	<b>Shortfalls ,if any, and reasons therefore</b>
1. Development and regular updation of <i>databases</i> (descriptive, numeric, pictorial, geospatial, etc.) on the assigned subject area and regular uploading of the same in the <i>Subject Area</i> section of the EIACP Website, after due verification/ authentication, with suitable referencing of data sources.	Done	NIL
2. Compilation of <i>News articles, Events, etc.</i> on the subject area and uploading the same in the relevant section of EIACP Website.	Done	NIL
3. Identification of data gaps and Formulation of implementation of action plan to fill them.	Data collected on the Live Air quality status, Climate change and other meteorological parameters. The compilation and regular update of the data is ongoing process.	-
<b>Maintenance of EIACP Website and User Engagement through it</b>		
4.Maintaining the EIACP Website up-to-date and user-engaging, and as an inventory of authentic and reliable information in the subject area	Done	NIL
5.Query-Response/Referral service to stakeholders.	Service is already in place at EIACP-IITM RP.	NIL
6.Developing and upgrading a Kids' Corner.	It is already developed by EIACP-IITM.	NIL
7. Maintaining a disaggregated record of visitors ,including unique visitors ,to the Website.	In process	NIL
<b>Publications and Value-Addition</b>		
8.Publishing 2 <i>Newsletters</i> and uploading the same in the relevant section of EIACP Website	Done	NIL
9.Processing/analyzing data collected and bring in value-added information Products	Centre is involved in data analysis and has come up with various thematic maps and open data sources	Limited man power
10. Preparation of infographics that conveys complex technical and scientific information in easy to understand manner for general public.	Done	NIL
<b>Reaching-out/Networking Activities</b>		

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of ENVIS Resource Partner  
"Indian Institute of Tropical Meteorology (IITM),Pune" on "Atmospheric Pollution and Climate Change"**

<b>Activity/Target</b>	<b>Achievements</b>	<b>Short falls, if any, and reasons therefore</b>
11. Liaison and coordination with other Relevant EIACP Centres, both State Centres and Thematic Centres, for providing data/information links in the relevant part of the EIACP Website (to avoid duplication and conflicts in uploaded information).	Centre is in process to Identify potential research areas which can be done in collaborative mode and will come up with proposal for joint activities for the same.	-
12. Build linkages with Other information Sources in the country and abroad. Providing hyperlinks to the information Sources in the relevant part of the EIACP Website.	Done	NIL
13. Maintaining a list of Experts in the Subject area and uploading the same, along with updated C.V. in the relevant section of EIACP Website.	Done	-
14. Coordination with the Ministry for Timely dissemination of relevant and adequate information to stakeholders.	Centre is coordinating with ministry and submits information to the ministry regularly.	-
15. Formulate strategic plans to generate sources of funds from corporate sector and/or through subscriptions of Newsletters/other publications	NA (Being Government Organization)	-
<b>B. SPECIAL ACTIVITIES</b>		
16. Focus on database development (numeric and descriptive), with due authentication in consultation with Line Departments/research institutions, etc.	Centre is involved in database development and has robust up-to date data set for air pollution and climate change related information.	-
17. Network and undertake outreach Activities with Universities/ Research bodies/researchers in the State, similar to Those of Odisha EIACP, so that the EIACP collections/ repositories can be enriched, including with the contact details/CVs, etc.	Centre is conducting outreach activities with various local schools and colleges. Also have organized online and offline environmental awareness events in association with various organizations to enhance awareness about the center's activities.	NIL

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of ENVIS Resource Partner  
"Indian Institute of Tropical Meteorology (IITM),Pune" on "Atmospheric Pollution and Climate Change"**

<b>Activity/Target</b>	<b>Achievements</b>	<b>Short falls, if any, and reasons</b>
18. Circulate Newsletters and knowledge Products to as many stakeholders as possible in the State, especially policy makers/planners.	Centre is distributing newsletters to relevant stakeholders including universities, schools, and Colleges. Centre is also distributing newsletter to local Municipal Corporation i.e. PMC and PCMC.	-
19. Linking website to other government websites; develop the vernacular web site; and undertake other awareness enhancing activities within the State.	Centre's web site is linked with the official website of IITM, Ministry of Earth Sciences. And time to time conduct various awareness activities in the city.	-
20. Maintain a Register for keeping track of queries received and transferred/ answered.	Most of the queries received Are from physical interaction with the visitors and on telephone and has been answered time to time.	-
21. Build institutional repositories of various types of media related to environmental issues.	Done	-
22. Prepare a brochure on environmental issues to spread awareness about World Environment Day, focusing on forestry / mining / climate change / disasters etc.	Centre is publishing brochures and other publications to create awareness about major environmental days.	-
23. Outreach activities like rally, skit, song etc.	IITM-EIACP has conducted many online/offline outreach activities which got overwhelming response from the students and people from various parts of the country.	-
24. Other Activities	IITM-EIACP has initiated Climate Change Awareness Campaign under which people are encouraged to adapt to sustainable life style. Also, centre has conducted various activities towards 'Mission LiFE' movement.	-

**Factsheet of 2023-24 (As on 31 March-2024) on Activities of ENVIS Resource Partner  
"Indian Institute of Tropical Meteorology (IITM),Pune" on "Atmospheric Pollution and Climate Change"**

**13. New initiatives taken during the Financial Year (2023-24):**

- Centre have developed Demonstration working model of Urban Canopy: Effect on Ventilation for students understanding the engagement.
- Initiated E-waste collection drive at various locations.
- Conducted special awareness event for rag pickers for their health concern.
- Natural Sources based Energy working models demonstrated to 1200+ students
- 1200+ pledgee has taken Climate Change Action Pledge started by IITM-EIACP which is available offline as well as online.
- Conducted 16 events on the occasion of various environmental days as well as on Mission LiFE themes
- Designed Mission LiFE Calendar 2024 based on Mission LiFE themes & distributed among various schools and organizations.
- Conducted various National and state level online/offline competitions in which students and common public had participated.
- Created various video documentaries for public knowledge and awareness purpose.

**14. Date of most recent physical verification by the Ministry: 02/04/2015**

Recently on 24/09/2019, Dr. Yashveer Singh, Senior Economic Advisor & Mr. Rahul Bhatiya, -EIACP had visited IITM, Pune. They were satisfied with the facilities present at IITM, Pune for execution of EIACP activities.

**15. Status of existing hardware:**

	Hardware item	Specification	Sanction Order with Date	Date of procurement
Procured from EIACP Grant (2014-15)	Printer	Office Laser Multifunction printer-Print, copy, scan, fax	No.11/27/2004-EI Dated 30 <sup>th</sup> June, 2014	10/02/2015
	Laptop	IntelCorei5-HDTouch screen-4GBRAM-1TBHDD-15.6InchesScreen-Windows 8.1-2GBGraphics	No.11/27/2004-EI Dated 30 <sup>th</sup> June, 2014	10/02/2015

**16. Status of utilization of grant during the financial year 2023-24 as on 31-March-2024 and reasons for short falls, if any:**

	Head of Expenditure	Sanctioned amount (Rs.)	Received Amount (Rs.)	Actual Expenditure(Rs.)	Reasons for Shortfall/ Excess (if any)
Recurring Annual	Manpower	17,04,000.00	17,04,000.00	12,75,547.00	Nil
	Others & Travel	7,00,000.00	7,00,000.00	6,61,754.00	Nil
Non-Recurring	-	-	-	-	Nil

**17. Issues/ hurdles faced in undertaking EIACP activities:**

As programs under EIACP are getting expanded, there is need of scientific staff positions to promote research & to transform research into knowledge, so that general public can be benefited.
